Comic Life	Reading/Social Studies	Comic Strip Maker/Book Report	Creates a comic strip digitally
Toon Cam	Reading/Social Studies	App that turns photos into cartoon images/Book Report Project	Allow you to take photos and turn them into cartoons
PuppetPals	Reading/Social Studies	App that creates a puppet show/Book Reports	Has multiple set of themed backgrounds so you can create a variety of puppet shows

Turbo Collage	Reading/Social Studies	Creates a digital collage with photos and images/biography project/identity project	Create a digital photo collage
Educreations	All Subjects	Screencasting App	Allows you to record anything on your screen to show what you've learned
Explain Everything	All Subjects	Screencasting App	Same as above and easy to upload to Youtube
Scoodle Jam	All Subjects	Screencasting App	Same as above, but includes a variety of manipulatives and tools
Glogster	All Subjects	Digital Posters	Create digital posters that incorporate images, videos, and text
MathBoard	Math	Math fact practice app/You will use it weekly to evaluate you progress on math fact memorization, speed, and accuracy	Gives you problems based on what you need and records your time and speed
Math Drills	Math	An additional math fact practice app	math fact practice
Digicubes	Math	math cubes that are digital	you can move them around to help you understand base 10 concepts
VM Manipulatives!	Math	Fraction App	Allows you to move pieces around and compare one fraction to another
Geoboard	Math	Digital Geoboard	Allows you to create geometric shapes just like you would with rubber bands on a geoboard
Tangram	Math	Digital Tangram Puzzles	Work on developing spatial logic
Unblock Me	Math	Block Puzzles	Work on developing spatial logic
Mathmateer	Math	Rocket Math Game	Develops fact skills and money
Zentomino	Math	Puzzles	Develops spatial logic
Beat the Computer	Math	Math Fact Game	Math fact practice
Everyday Math Baseball Multiplication	Math	Math Fact Game	Math fact practice

Multiplication Genius X19	Math	Math Fact App	Work with larger numbers for math fact practice after mastering 1-12 with speed and accuracy
Mathemagics	Math	Mental Math Tricks	Helps you learn shortcuts and develop number sense
Khan Academy	Math	Online resource for reviewing or learning new math concepts	It shows a screencast of a math concept
McGraw-Hill Fractions	Math	Digital version of Everyday Math fraction cards	It helps you practice with fractions, giving a visual representation
Marble Math	Math	Math Fact Game	You roll a marble around the iPad by dragging it with your finger to point to solutions
Telling Time	Math	Clock Practice	You show the answer to various time questions using a standard and digital clock
Hopskotch	Coding	Practice with the building blocks to coding design	You write rules for an icon to follow
Tynker	Coding	Learn the basics of coding	You will build games
Drawing Pad	Art	It provides you will all the necessary tools to draw just about anything	You can create pictures to use as a stand alone or put into presentations
Paper	Art	Create using a variety of tools and colors	You can create pictures to use as a stand alone or put into presentations
Garage Band	Music	Create/Edit music	You can use Garage Band to create original music or use the instruments in the app to create it
GeoMaster Plus	Social Studies	Quiz Game to learn geography	Learn the countries of each continent
National Geographic World Atlas	Social Studies	An interactive globe	Use when required to find geographic locations
States	Social Studies	App for learning US states and capitals	Practice states and capitals
Google Earth	Social Studies	Find any location on Earth	Zoom into each locations
Google Maps	Social Studies	Use to get directions from one spot to another	May use in social studies and math to get directions

Solar Walk	Social Studies	Shows all the planets of the solar system	Allows you to zoom in on each planet
Star Walk	Social Studies	Shows the constellations	Learn the names and stars that make up constellations
Missions Mini	Social Studies	App about the California missions	Research individual missions
Explorers	Social Studies	App about European Explorers	Research individual explorers
Trading Cards	Social Studies/LA	App for making flash cards	Use the flashcards to help you study characters in stories or geographical locations
CA Parks	Social Studies	Information about California state parks	Use this to explore CA geography
iBooks	All Subjects	App for reading books and pdfs	You can download your own books into iBooks or read published books
My Grammar Lab	Language Arts	Practice grammar skills in a quiz format	Practice grammar skills
Word Mover	Language Arts	App for writing poetry	Move words around to write poems
Spelling City	Language Arts	Spelling words for each week are on this app	Use the app to practice your words and play games
Accelerated Reader 360	Language Arts	Reading App	Use this app to read and respond to text
Kindle	Language Arts	Reading App	Another app like iBooks
Hangman	Language Arts	Guessing Words	Fun way to practice word patterns
Edmodo	Organizational	Classroom Management System	Communicate with me and your classmates/Get assignments/documents
Googe	Organizational	App for getting to all of your Google Apps	Use to get to Drive, Docs, Sheets, Maps, Hangouts, Classroom, Earth
Drive	Organizational	App for storing all documents, presentations, projects	Save and share your documents here/work collaboratively with your classmates on documents

Hangouts	Organizational	App like Skype	Used to connect with people who are in a different location
Podcasts	Organizational	App for listening to podcasts	You will use it as directed by me
Socrative	Organizational	App for taking quizzes and polls	You will use it to take quizzes and polls given by me
Popplet Lite	Organizational	Graphic Organizer	Use to create brainstorms and plan an assignment
Symbaloo	Organizational	Bookmarking App	Use it to bookmark all the websites you visit frequently for easy access
Evernote	Organizational	Keeping track of research notes and websites	Use it to clip articles and keep them organized
Notability	Organizational	Notetaking App/type, handwrite, audio record, highlight, change font colors, add different types of paper	Use it to take all notes in class
Google Mail	Organizational	Your Google LBS email will be here	Use your school email to access Google email
Chrome	Organizational	Web Browser	Use this browser to search the Internet and connect with Google Apps
Casper Focus	Organizational	App for managing student apps	I will use this when I want everyone to be on the same app
Docs	Creating Documents/Table	Create Google Docs	Use for all your written assignments
Pages	Creating Documents/Table	Create text documents	Use for assignments that need more formatting options than Docs
Sheets	Creating Documents/Table	Data organization app	Use to organize information or put it in charts
Numbers	Organizational	Data organization app	Use to organize information or put it in charts
